1. Call GUARANTEE V.C. Claim Department immediately at (514) 282-0089 (local) Toll-free 1 (800) 361-7226.
2. Have your Warranty Contract number and current odometer reading ready.
3. Take all necessary precautions to protect your vehicle from further damage.
4. All repair work must be pre-approved by GUARANTEE V.C. and completed in a licensed repair shop to be eligible for claim payment.
No upfront payment required for repairs.
5. Documentation to substantiate the required maintenance services must be presented before claim approval. As well as for any warranty, you must, as a customer, demonstrate a proper maintenance service on your vehicle. Thus, all maintenance services must be performed as per specifications of the manufacturer.

It is important that you keep a maintenance file for your vehicle. This will allow a faster settlement of your claims.

- The Additional Warranty (Superior and Extended) on all recent vehicles expires at 200,000 km and is applicable on vehicles of six years of age and less when purchasing the Warranty.
- The Additional Warranty (Limited) expires at 200,000 and is applicable on vehicles of 9 years of age and less when purchasing the Warranty.
